

MODERN SLAVERY ACT 2015 STATEMENT

Ideal Heat Solutions Limited was established in 2010, we specialise in the installation of state-of-the-art temporary boilers, heaters, and chillers across London and the Home Counties. Our reputation as a leader in temporary and emergency boiler hire across a huge variety of industries is well deserved. Our fully trained, OFTEC-accredited technicians are available to help determine the best solution for your situation. We aim to provide a fast, effective service that drastically reduces disruption to your workplace.

It is our stated policy to satisfy the requirements of our customers in any way that we can. This is achieved by operating a comprehensive, coordinated quality system that ensures that the quality of all products, processes, and services offered by the company are consistent. Including procuring products from reliable sources that trace ethically and responsibly and demonstrating anti-corruptive and anti-slavery policies. We have copies of our major supplier's product integrity policy/ethical sourcing policy as well as environmental and quality policies.

All employees are paid at or above the national minimum wage. To tackle illegal workers, all applicants seeking Site Passes must show documents that prove their entitlement to work in the UK. We check photographs on documents provided are consistent with the appearance of the operative and check the date of birth on documents to be satisfied that these are consistent with the appearance of the person. We check the valid dates are not expired and check any government stamps and endorsements. We check two forms of documentation against the passport. All sub-contractors complete a sub-contractor assessment questionnaire, supplying us with details of the company and company number as well as their UTR. UTR checked with HMRC and we hold a copy of the sub-contractor's public liability insurance also.
